NATIONAL ENGINEERING HANDBOOK (NEH)
210-VI-NEH
Amendment MN4 (Part 651)

SUBJECT: ENG - AGRICULTURAL WASTE MANAGEMENT FIELD HANDBOOK
(AWMFH) PART 651

Purpose. To distribute amendment 4 revisions

Effective Date. This amendment is effective upon receipt.

An error was discovered in Chapter 4, page 4-13, Table 4-13. Directly below Table 4-13, in the footnote section, make a pen and ink change to **lb/d/1000# to read **lb/yr/1000# (or pounds per year per 1,000 pounds of live weights).

In Chapter 4, page 4-7, bedding is listed as either loose or chopped. Common practice is for bedding to be given in number of bales. Page MN4-7.1 adds a table with the densities of various baled bedding materials.

Pages MN10-70.1-6 adds information on manure transfer.

Filing Instructions.

1. On page 4-13 make the pen and ink change noted above. (NOTE: MN4-7.1 2005)
2. File page MN4-7.1 immediately after page 4-7. File MN4-i.1 after the national index. "
3. File pages MN10-70.1 through MN10-70.6 immediately after page 10-70. Discard page MN10-i.1 dated 12/94 and replace with MN10-i.1 dated 6/96. (NOTE: AUG 2005)
